IJETTCS
ISSN 2278-6856

International Journal of Emerging Trends & Technology in Computer Science

Volume 6, Issue 3, May - June 2017

Paper submission Deadline: 25 June 2017

Good quality research papers are invited on following thrust Area (not limited to)

Advanced Computing
Biometrics
System Software
Web and Internet Computing
Communications
Computer Graphics & Virtual Reality
E-Commerce Systems
E-Community
E-Governance
E-Learning
Embedded System and Software
Information Retrieval
Knowledge Management
Game and Software Engineering
Global Navigation Satellite Systems (GNSS)
Mobile and Ubiquitous Computing
Multimedia Systems and Services

Algorithms and Bioinformatics
Network Security and Information Assurance
Soft Computing (AI, Neural Networks, Fuzzy Systems, etc.)
Wireless Ad Hoc / Sensor Networks
Computer Architecture and Real time Systems
Database and Data Mining
Dependable, Reliable and Autonomic Computing
DSP / Image Processing / Pattern Recognition / Multimedia
Distributed and Parallel Systems & Algorithms
Intelligent Information & Database Systems
Information Coding and Compression Techniques
IT Policy and Business Management
Expert Systems
Geographical Information Systems (GIS)
Grid and Scalable Computing
Modeling and Simulation
Networking and Communications

Publication Fee: INR 2500
