

Announces

BIRAC Innovation Challenge Award

Biotechnology Industry Research Assistance Council, a Section 8, 'Not for Profit Company' of Government of India, has been set up as DBT's interface agency, to serve as a single window for emerging biotech companies.

**Platform Technologies for
Reducing the Burden of Diseases
(Communicable & Non-Communicable)**

HACKATHON TRACK

Sanitation and Waste Recycle

IDEATHON TRACK

Call for Proposal will close on 31st October 2017

Platform technologies for reducing the burden of Diseases (Communicable and Non-communicable diseases)

Under this theme, we are looking for innovations in platform technologies for detection and management of various communicable (such as malaria, dengue etc) and non-communicable diseases (such as diabetes, chronic respiratory diseases, etc).
