

Introducing National Programming Aptitude Test - NPAT 2017

Are you the one who keeps wondering how to measure the proficiency of your coding skills? We bring to you the ultimate coding test that will help you gauge your performance

We invite all students to test their coding skills with NPAT. Here is your chance, register yourself right away.

NPAT will be conducted on 13th August, 2017.

Registrations start on 9th July
