

Summer School

On

Application of **ANSYS**

(3rd -22nd July 2017)

Organised by
Department of Mechanical Engineering,
Dronacharya College of Engineering

Week 1

Introduction ANSYS

Introduction to FEM/FEA concepts
Introduction to ANSYS
Creating geometry
Editing geometry

Week 2

Static Structural Simulation

Beam analysis,
Truss analysis
Stresses in bars

Week 3

Thermal Analysis

Transient Heat Analysis
Fluid Dynamics

Faculty Coordinator:
Mr. Anil Kumar Gillawat
Mr. Vijay Raj Pilania

Student Coordinator:
1. Himanshu Bahukhandi
2. Pawan Kumar

Mock Test

All participants have to appear for the mock test.
