

# **DRONACHARYA**

## **College of Engineering**

*Khentawas, Farrukh Nagar, Gurugram, Haryana*

*Approved by: All India Council for Technical Education (AICTE), New Delhi*

*Affiliated to: Maharshi Dayanand University (MDU) Rohtak, Haryana*

**Name of the Subject:** Computer Networks

**Faculty Name:** Dr. Hansraj Yadav

**Innovation Practices:** Industry Partnerships

**Students Involved:** 5<sup>th</sup> Semester

Industry partnerships and guest lectures play a pivotal role in enhancing the quality of education, research, and practical exposure in the field of computer networks. These collaborations bridge the gap between academia and industry, providing students and faculty with access to current trends, tools, technologies, and industry insights.

Industry partnerships provide invaluable benefits to students. The partnerships enhance students' practical skills, expose them to the latest industry trends, help them build professional networks, and prepare them for successful careers in the networking field. Moreover, the collaborative efforts between academia and industry ensure that the curriculum remains relevant and aligned with the needs of the rapidly evolving networking industry. Through these partnerships, students gain a well-rounded education that equips them with both the theoretical knowledge and practical skills needed to thrive in their careers.
