Action Taken Report (ATR) on IQAC Initiatives for the meeting held on 13th January 2020

1. Review of odd semester teaching (B.Tech & M.Tech)

- Faculty implemented blended learning (online and offline), and efforts were made to improve student attendance through motivation and engagement activities.

2. Action taken against stakeholder feedback

- Necessary improvements were made based on feedback from parents, faculty, alumni, and students to enhance academic and administrative performance.

3. Faculty Development Program (FDP) and Training

- Faculty were encouraged to attend FDPs, and new FDP sessions were organized to enhance teaching methodologies.

4. Mentoring and Skill Development for Students

- Students were encouraged to enroll in online certification courses such as Spoken Tutorials, SWAYAM, and NPTEL. Faculty developed and shared audio/video lecture recordings to assist slow learners.

5. Research and Project Funding

- Faculty members were encouraged to apply for research grants and project funding to enhance institutional research output.

6. Applying for Funds and Grants for Projects

- Faculty members were informed and guided on applying for research funds and grants from various funding agencies.
