The members present discussed revising the R&D policy and reward systems for faculty and students.

- To discuss about the Student Orientation Program

All the members discussed about the conduction of orientation program for first year students.

- Discussion on AQAR submission

Heads were assigned for all the criteria (1-7) and prepare data within 3 months' time period.

- Review of NBA accreditation documents.

The attendees were advised to present the criteria wise documents and to plan for mock drill 2-3 times before final NBA expert team visit.

For the NBA expert visit, the departments CSE and CSIT have to submit the details of general facilities and the criteria-wise in charge name list was proposed.

For the general criteria from 8-10, the NBA coordinator will coordinate the proof document for review.

- To discuss action taken against feedback of different stakeholders.

The IQAC coordinators informed the members about the action taken against the feedback received from faculty members, alumni and students in improving the college's overall performance.

As no other point of discussion was left, the meeting was declared as closed.
