ACTION TAKEN REPORT BASED ON STUDENTS' FEEDBACK

The College obtained the feedback on design and review of syllabus, facilities provided and teaching learning process from students to improve the process of teaching and learning. The feedback was based on a structured questionnaire. The data was analyzed and a feedback report was prepared in order to gain insights into the area where improvements are needed. On the basis of the feedback following actions were taken to incorporate the improvements suggested by students.

ACTION TAKEN

S.No.	Feedback/Suggestions	Action Taken
1	Curriculum points to be covered more practically.	Increased focus on practical application through additional workshops and projects.
2	Reference books in the library need to be more accessible.	Improved the availability of recommended reference books and provided digital access via the library.
3	Skills-based courses and ICT-integrated teaching need improvement.	Introduced skill-based modules and expanded ICT tools in classrooms.
4	Placement training and career support to be more robust.	Enhanced career support activities, conducted placement-specific training, and industry collaboration.
5	More industrial visits and internships are required.	Increased the number of industrial visits and partnered with more organizations for internships.
