

- Dr. Neeraj Gehlot, Assistant Professor, Department of Computer Science, IIT Allahabad & SMIEEE, India.

- Prof. (Dr.) C. Ramakrishna, Dean, Administration and Finance, Professor and Head, Department of Computer Science Engineering, NITTTR, Chandigarh, SMIEEE, India.

- Prof. (Dr.) Maiteyee Dutta, Chairperson, Media and PR Committte, NITTTR, Chandigarh, India.

- Dr. B.S. Dhaliwal, Associate Dean, Academics and Students, Professor, Department of Electronics and Communication Engineering, NITTTR, Chandigarh & SMIEEE, India.

- Dr. Shweta Pandit, Associate Professor & Head, ECE, Jaypee University of Information Technology, Waknaghat, HP, India.

- Prof. (Dr.) Mayuri Mehta, Department of Computer Engineering, NIT Surat, Gujarat, India, SMIEEE, member IEEE WIE and IEEE SPS, India.

- Dr. Anshul Vrashney, Senior Scientist, National Physics Laboratory, CSIR, India.

- Dr. Avni Khatkar, Scientist, National Physics Laboratory, CSIR & SMIEEE, India.

- Prof. (Dr.) Vivekanand Jha, Department of Computer Science and Engineering, IGDUTW, Delhi.

- Dr. Sweta Tripathi, IEEE WIE Revitalization committee chair 2024, Past Chair IEEE WIE UP Section, Department of Electronics and Communication, Amity University Gurgaon

- Prof. (Dr.) Sugandha Singh, Dean, School of Engineering and technology, Noida International University, Greater Noida & SMIEEE, India.

- Dr. Shubham Goel, Assistant Professor, Department of Engineering and Technology, Gurugram University, India.

- Dr. Sumit Choudhary, Assistant Professor, Department of Engineering and Technology, Gurugram University & SMIEEE, India.

- Dr. Neha Jain, Head, Department of Data Science and Big Data, IILM University, Greater Noida.

- Dr. Adesh Mishra, Assistant Professor, Department of Electrical Engineering, MDU, Rohtak.

- Mr. Srinu Vasudevan, CTO & Co-Founder KangaSys, Sydney, Australia.

- Mr. Deepak Malhotra, Director, Deloitte, India & Expert in Technology Strategy & Architecture.

- Mr. Mohit Sehgal, General Manager, Production business vertical, Maruti Suzuki, MSIL, India

- Mr. Yogesh Puri, Senior Architect-Tech (AIA-Data) Cognizant, Sydney, Australia.

- Dr. Manoj Kumar Tiwari, Senior Principal Design, Cadence Design System, Hyderabad, India

- Dr. Manoj Tiwari, ST Microelectronics, Gautam Buddha Nagar, Uttar Pradesh, India

ORGANIZING COMMITTEE

Chief Patron

- Dr. Satish Yadav, Chairman, Dronacharya College of Engineering, Gurugram, Haryana, India.

Patron

- Prof. (Dr.) B.M.K. Prasad, Director, Dronacharya College of Engineering, Gurugram, Haryana, India.

Honorary Chair & International Advisory Board

- Prof. (Dr.) M.N. Hoda, Vice-Chancellor, Bharti Vidyapeeth Deemed University & Chairperson, IEEE Delhi Section, India.

- Prof. (Dr.) Rajnish Sharma, Vice-Chancellor, Chitkara University, Baddi & Vice Chair, IEEE Delhi Section, India.

- Prof. (Dr.) Ghansyam Singh, Director, Center for Smart Information and Communication Systems, University of Johannesburg, South Africa.

- Dr. Simon Muchinenyika, Head of Department, Namibia University of Science and Technology, Windhoek, Namibia

- Dr. Dong Zhang, Associate Professor, Department of Mathematics, Computer Science and Digital Forensics, Commonwealth University of Pennsylvania, United Staes of America (USA).

General Chairs (Conference Convenors & Organizing Secretaries)

- Prof. (Dr.) Isha Malhotra, Professor & Principal, Dronacharya College of Engineering, Gurugram, Haryana, India

- Prof. Tamanna Sehgal, Assistant Professor, Department of Computer Science & Engineering (Artificial Intelligence and Machine Learning), Dronacharya College of Engineering, Gurugram, Haryana, India.

Internal Advisory Board

- Prof. (Dr.) Ashima Mehta, Vice-Principal, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Ms. Neha Chauhan, Head RDC & HoD, Department of Mechanical Engineering, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Ms. Pooja Sharma, HoD, Department of Applied Science & Humanities, Dronacharya College of Engineering, Gurugram, Haryana, India. (Technical Program Chair)

- Prof. Yashvardhan Soni, HoD, Department of Computer Science & Engineering (Artificial Intelligence and Machine Learning), Dronacharya College of Engineering, Gurugram, Haryana, India.

- Dr. Monika Rani, HoD, Department of Electronics and Communication Engineering, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Mr. Ashwani Kumar, HoD, Department of Electronics and Communication Engineering, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Ms. Sravani Nidadavolu, Head, IQAC, Dronacharya College of Engineering, Gurugram, Haryana, India.

Industry Liaison & Business Development Chairs

- Ms. Renu Dua, Head, Career and Development Cell, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Dr. Neeraj Gehlot, Assistant Professor, Department of Computer Science, IIT Allahabad & SMIEEE, India.

- Ms. Sonali Thakur, Professional Skills, Coach, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Ms. Nidhi Srivastava, Assistant Professor, Department of Computer Science & Information Technology, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Ms. Kanika Lamba, IEEE Student Branch Counciller, Dronacharya College of Engineering, Gurugram, Haryana, India.

Student Activities & Poster Presentation Chairs

- Dr. Priyanka Verma, Assistant Professor, Department of Electronics and Communication Engineering, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Ms. Vimmi Malhotra, Assistant Professor, Department of Computer Science and Information Technology, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Ms. Ruchi, Assistant Professor, Department of Electronics and Communication Engineering, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Ms. Karuna, Assistant Professor, Department of Applied Science and Humanities, Dronacharya College of Engineering, Gurugram, Haryana, India.

Logistics and Financial Control Chairs

- Dr. Hansraj Yadav, Registrar, Dronacharya College of Engineering, Gurugram, Haryana, India. (Conference Treasurer)

- Dr. Ashok Kumar, Associate Professor, Department of Computer Science and Information Technology, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Dr. Dixita Barua, Assistant Professor, Department of Applied Science and Humanities, Dronacharya College of Engineering, Gurugram, Haryana, India.

Public Relation & Registration Chairs*

- Ms. Renu Narwal, Assistant Professor, Department of Computer Science Engineering, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Dr. Ankit Aggarwal, Assistant Professor, Department of Mechanical Engineering, Dronacharya College of Engineering, Gurugram, Haryana, India.

Publication and Xplore Compliance Chairs*

- Dr. Sakshi Gupta, Assistant Professor, Department of Applied Science and Humanities, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Dr. Neha Mathur, Assistant Professor, Department of Electronics and Communication Engineering, Dronacharya College of Engineering, Gurugram, Haryana, India.

Publicity & Media Chairs

- Dr. Madhu Mathur, Assistant Professor, Department of Applied Science and Humanities, Dronacharya College of Engineering, Gurugram, Haryana, India.

- Dr. Nimisha Yadav, Assistant Professor, Department of Applied Science and Humanities, Dronacharya College of Engineering, Gurugram, Haryana, India.

CONFERENCE SECRETARIAT & VENUE

1st Dronacharya International Conference On Intelligent Computing and Emerging Technologies

DICON 2027

“Empowering the Future through Intelligent and Sustainable Computing”

(Technical Sponsor: IEEE Delhi Section, Conference #73090)

April 23-24, 2027

Venue: Dronacharya College of Engineering, Khentawas, Farrukhnagar, Gurugram, Haryana - 122506, India
Mode of Conference: Hybrid
Conference Website: <https://www.dicon2027.com/>

About Dronacharya College of Engineering, Gurugram

Dronacharya College of Engineering is a premier Technical Institute in Haryana, Established in 1998. Approved by AICTE and Affiliated to Gurugram University, the College is Accredited by NBA & NAAC and certified under ISO 10001:2018 and 21001:2018. It received the Outstanding Institution Award (Engineering College Category) 2022–23 from NITTTT Chandigarh, Ministry of Education, Government of India. The Institute offers B.Tech Programs in Multiple Specializations including CSE, AI & ML, IoT & Cyber Security, Robotics & Automation, Mechanical, and Electronics Disciplines, along with M.Tech Programs in key Engineering fields. The college is known for its Modern Infrastructure, Advanced laboratories, experienced faculty, excellent academic results, and strong focus on research, innovation, Hackathons, and industry exposure. It also maintains international collaborations with universities in Japan and South Korea for student Internship programs.

About IEEE Delhi Section:

IEEE Delhi Section is one of the most active IEEE section under Region 10 (Asia-Pacific), promoting technological advancement, research, and professional development across North India. Established as a subsection in 1974 and granted full Section status in 1976, it recently celebrated its Golden Jubilee of technical leadership and Academic Excellence. The section supports universities and engineering institutes through international conferences, workshops, student activities, and research collaborations. With over 5,000 active professional and student members, including 1,980+ student members and more than 40 student branches, it has built a strong academic and industry network. IEEE Delhi Section also operates through specialized society chapters, subsections like Chandigarh and Rajasthan, and affinity groups such as Women in Engineering (WIE).

About DICON 2027:

The 1st Dronacharya International Conference on Intelligent Computing and Emerging Technologies (DICON 2027) is a premier academic event anchored by the theme "Empowering the Future through Intelligent and Sustainable Computing". This platform unites global researchers, industry professionals, and innovators to push the boundaries of future-ready digital architectures. DICON 2027 mainly focuses on intelligent computing, emerging digital technologies, and sustainable computing paradigms. The conference translates its core vision into actionable research across six multidisciplinary tracks: Intelligent Frontiers: Scaling advanced systems through AI and Computational Intelligence (Track 1) and data-driven architectures via Data Science, Cloud, and Edge Computing (Track 6). Connected Systems: Accelerating systemic growth using IoT and Sensor Networks (Track 2) paired safely with robust Cybersecurity and Privacy in Intelligent Systems (Track 3). Hardware & Green Parallels: Driving physical development through Electronics and Embedded Systems (Track 4) alongside Sustainable Computing and Emerging Paradigms (Track 5).

Student Platform & Workshops

B.Tech Student Poster Presentation: A specialized flagship segment providing undergraduate students a professional platform to showcase their capstone projects, innovative ideas and research to global experts.

Technical Workshops for Undergraduate Students:

As part of learning for all during the IEEE Conference, we are pleased to host four industry-aligned, hands-on workshops tailored specifically for undergraduate students. These sessions bridge the gap their classroom theory and industry practice, providing the participants with high-utility skills for their future career.

- 1. Code to Insight: Practical ML for Real-World Applications
- 2. MATLAB for Engineered Systems
- 3. Drone Technology & Robotics for Real-World Solutions
- 4. Cyber Essentials: Practical Security Skills for Beginners

Call for Papers on following Conference Tracks :

Track 1: Artificial Intelligence and Computational Intelligence

- Machine Learning
- Deep Learning
- Generative Artificial Intelligence
- Natural Language Processing (NLP)
- Computer Vision
- Reinforcement Learning
- Explainable Artificial Intelligence (XAI)
- Human-Centered Artificial Intelligence
- Federated Learning
- Robotics and Intelligent Systems
- Evolutionary Computing
- Bio-inspired Computing

Track 3: Cybersecurity and Privacy in Intelligent Systems

- Secure System Architectures
- Cryptography and Cryptographic Protocols
- Privacy-Preserving Artificial Intelligence
- Intrusion Detection and Prevention Systems
- Cyber Forensics and Incident Response
- Blockchain and Distributed Ledger Security
- Identity and Access Management
- Cloud and Virtualization Security
- Cyber Resilience and Risk Management
- Ethical, Legal, and Regulatory Aspects of Cybersecurity

Track 5: Sustainable Computing and Emerging Paradigms

- Green and Energy-Efficient Computing
- Sustainable Communication Networks
- Energy-Efficient Data Centers
- Carbon-Aware Cloud Computing
- Quantum Computing
- Neuromorphic Computing
- Sustainable Artificial Intelligence
- Edge Computing for Sustainability
- Computing Lifecycle Assessment and Circular Economy

Track 2: IoT and Sensor Networks

- Wireless Sensor Networks
- Internet of Things (IoT) Architectures and Protocols
- Edge–Cloud Integration for IoT
- Energy-Efficient IoT Systems
- Industrial Internet of Things (IIoT)
- Smart Cities and Smart Infrastructure
- IoT Security and Privacy
- Sensor Fusion Techniques
- Blockchain-Enabled IoT
- Smart Agriculture and Precision Farming

Track 4: Semiconductor Electronics and Embedded Systems for Smart Technologies

- Low-Power and Energy-Efficient Electronics
- VLSI and System-on-Chip (SoC) Design
- Embedded Systems Design
- Hardware–Software Co-Design
- FPGA-Based Systems
- Micro-Electro-Mechanical Systems (MEMS)
- Power Electronics and Drives
- Wearable Electronics and Biomedical Devices
- Reliable and Fault-Tolerant Hardware Design

Track 6: Data Science, Cloud, and Edge Computing

- Big Data Analytics
- Cloud-Native Systems and Microservices
- Edge and Fog Computing
- Data Mining and Knowledge Discovery
- Scalable Machine Learning Systems
- Real-Time and Stream Processing
- Distributed Storage Systems
- AI-Driven Cloud Resource Optimization
- Hybrid and Multi-Cloud Architectures

Paper Submission Guidelines & Important Dates

- **Submission Guidelines:** Research papers must present original, unpublished work. Authors must format their manuscripts strictly according to the IEEE Two-Column Conference Template: <https://www.ieee.org/conferences/publishing/templates>
- **Plagiarism Review:** All submitted papers will undergo rigorous peer review and plagiarism checking via IEEE CrossCheck (iThenticate) and Turnitin Software.
- **Xplore Inclusion:** Accepted and presented papers at DICON 2027 will be submitted for publication in IEEE Xplore, maintaining the standards of IEEE, thereby ensuring global visibility, high academic standards and impactful interdisciplinary collaborations.
- **Submission Link:** <https://cmt3.research.microsoft.com/DICON2027>

Paper Submission Deadline: **30 November 2026 (Monday, IST)**

Notification of Acceptance: **15 January 2027 (Friday, IST)**

Camera-ready Paper Submission & Author Registration Deadline: **10 February 2027 (Wednesday, IST)**

Best Paper Awards

The awards are intended to encourage high-quality research contributions and recognise outstanding academic achievements. Best Paper Awards and Poster Awards will be presented to authors and participants whose work demonstrates groundbreaking research and exceptional presentation quality. Papers will be nominated by the session chairs and reviewed by the evaluation committee based on reviewers' comments and recommendation statements.

Registration Fee Details:

Category	Indian Authors (INR)	International Authors (USD)
IEEE Member	6,400	130
Non-IEEE Member	8,000	160
Industry Participant (Non IEEE)	9,000	180
Student (IEEE Member)	5,500	110
Student (Non-IEEE Member)	6,500	130
Listener / Attendee	3,000	60

DICON 2027 emphasizes ethical research dissemination and expects all contributors to uphold the principles of transparency, originality, and academic integrity to ensure the credibility and quality of the conference proceedings.

Plagiarism Policy : <https://www.ieee.org/publications/rights/plagiarism>

Copyright Policy : <https://www.ieee.org/publications/rights/copyright-policy>

DICON 2027 Section Oversight Committee Members

- Prof. (Dr.) Vivek Shrivastava (LMC), Section Executive Committee Member Co-opted and Member, IEEE Delhi Section Standing Committee on Technical and Professional Activities-Conference.
- Dr. Ekta Gandotra, Lead Member Coordinator for DICON 2027 and Member, IEEE Delhi Section Standing Committee on Technical and Professional Activities-Conference.
- Prof. (Dr.) Rajnish Sharma, Vice Chair and Member, IEEE Delhi Section Standing Committee on Technical and Professional Activities-Conference.
- Prof. (Dr.) Sneha Kamra, Section Secretary, Interim Section Treasurer and Member, IEEE Delhi Section Standing Committee on Technical and Professional Activities-Conference.

Technical Program Committee (TPC) Members

- Prof. (Dr.) Prerna Gaur, Director Netaji Subhas University of Technology & Chair, IEEE India Council, New Delhi, India.
- Prof. (Dr.) A.Q. Ansari, Professor, Jamia Millia Islamia, New Delhi & Chair, SIGHT (IEEE OU), Ex-Chair, IEEE Delhi Section, India.
- Prof. (Dr.) Jasdeep Dhanoo, Professor, Department of Electronics & Communication Engineering, Indira Gandhi Delhi Technical University, India.
- Dr. Shruti Jain, Professor & Associate Dean, Department of Electronics and Communication Engineering, Jaypee University of Information Technology, Solan, Himachal Pradesh & Joint Secretary, IEEE Delhi Section, India.
- Prof. (Dr.) Rashmi Aggarwal, Dean, School of Computer Applications, Manav Rachna International Institute of research and Studies & Chairperson, Women In Engineering (WIE), IEEE Delhi Section, India.
- Prof. (Dr.) S.S. Tyagi, Dean Faculty of Science and Technology, Gurugram University, Gurugram & Chair, Systems, Man and Cybernetics Chapter, IEEE Delhi Section, India.
- Prof. (Dr.) K. Subramanian, Professor, Department of Electrical Engineering, Netaji Subhas Technical University, New Delhi & Chair, Computer Society, IEEE Delhi Section, India.
- Prof. (Dr.) Dharm Singh Jat, Professor of Computer Science & UNESCO Chairholder, Namibia University of Science and Technology, Windhoek, Namibia.
- Dr. Richa Sharma, Assistant Professor, Department of Mathematics, Computer Science & Digital Forensics, Commonwealth University, Pennsylvania (PA), USA.
- Dr. Ashutosh Sharma, Professor, Department of Material Science and Engineering, Ajou University, Suwon, Korea.
- Dr. Pradeep Kumar, Post-Doctoral, Department of Mechanical Engineering, National Taipei University of technology, Taipei, Taiwan.
- Dr. Rajesh Yadav, Assistant Professor, Department of Cyber Security and Computer Science, University of Southampton, Delhi Campus, India.
- Dr. Ashwani Sharma, Associate Professor, Department of Electronics Engineering, IIT, Ropar, Punjab, India.
- Dr. Pooja Jain, Associate Professor, Department of Computer Science, IIIT Nagpur, India.
- Dr. Semma Avasthi, Associate Professor, Department of Electronics and Communication, IIT, Kanpur, India.
- Dr. Yogesh S. Chauhan, Head, Department of Electronics and Communication, IIT Kanpur & SMIEEE, India.
