To Whom It May Concern:

Google is pleased to let you know that Gopi Krishna Menon has been accepted to participate in the Google Summer of Code 2020 program, which is administered from our Corporate Headquarters at 1600 Amphitheatre Parkway, Mountain View, CA 94043.

Gopi Krishna will work as a Student Developer beginning June 1, 2020 and ending on August 24, 2020, developing open source software for Boost C++. Gopi Krishna is expected to spend 30+ hours a week working on their project. Gopi Krishna will work from home on their project and will not be required to visit either Google or Boost C++'s offices.

More information on Gopi Krishna's project can be found at:
https://summerofcode.withgoogle.com/projects/5346254512455680

Gopi Krishna will not be directly employed by Google during participation in Google Summer of Code. The program is administered by Google and Google will act as the host organization for the duration of their participation.

This letter serves as official proof and verification of Gopi Krishna's acceptance. Alternate proof cannot be provided. However, Gopi Krishna may, subject to their mentor's approval, make slight adjustments to the start and end dates of the program, and their mentor can provide verification to supplement this letter.

You can learn more about the program on our website at g.co/gsoc. Should you require any further information, please do not hesitate to contact our team via email at gsoc-support@google.com.

Best,

Stephanie Taylor
Google Summer of Code Program Lead
