Vision

Steering the future of computer science through innovative advancements, fostering ethical values and principles through technical education.

Mission

M1: Directing future innovations in computer science through revolutionary progress.

M2: Instilling a foundation of ethical values and principles in every technologist.

M3: Offering a comprehensive technical education to equip individuals for a meaningful and influential future.

PEOs (Program Educational Objectives)

- 1. Apply the technical competence in Computer Science & Engineering for solving problems in the real world.**
- 2. Carry out research and develop solutions on problems of social applications.**
- 3. Work in a corporate environment, demonstrating team skills, work morals, flexibility and lifelong learning.**

PSOs (Program Specific Outcome)

- 1. Exhibit design and programming skills to develop & mechanize business solutions using revolutionary technologies.**
- 2. Learn strong theoretical foundation leading to brilliance and enthusiasm towards research, to provide well-designed solutions to complicated problems.**
- 3. Work effectively with diverse Engineering fields as a team to design, build and develop system applications.**

Webinar on “Convolutional Neural Networks”

Dronacharya College of Engineering, Gurugram organized a webinar on “Convolutional Neural Networks” for Final Year students of CSE/CSIT//IT/AIIML on 31 July, 2020. Dr. Megha Goyal, CSIT Department conducted the webinar.

The objective of the webinar was to enhance the students command over convolutional neural networks.

 Webinar on 

Introduction to
Convolutional Neural Networks

Date
31/07/2020

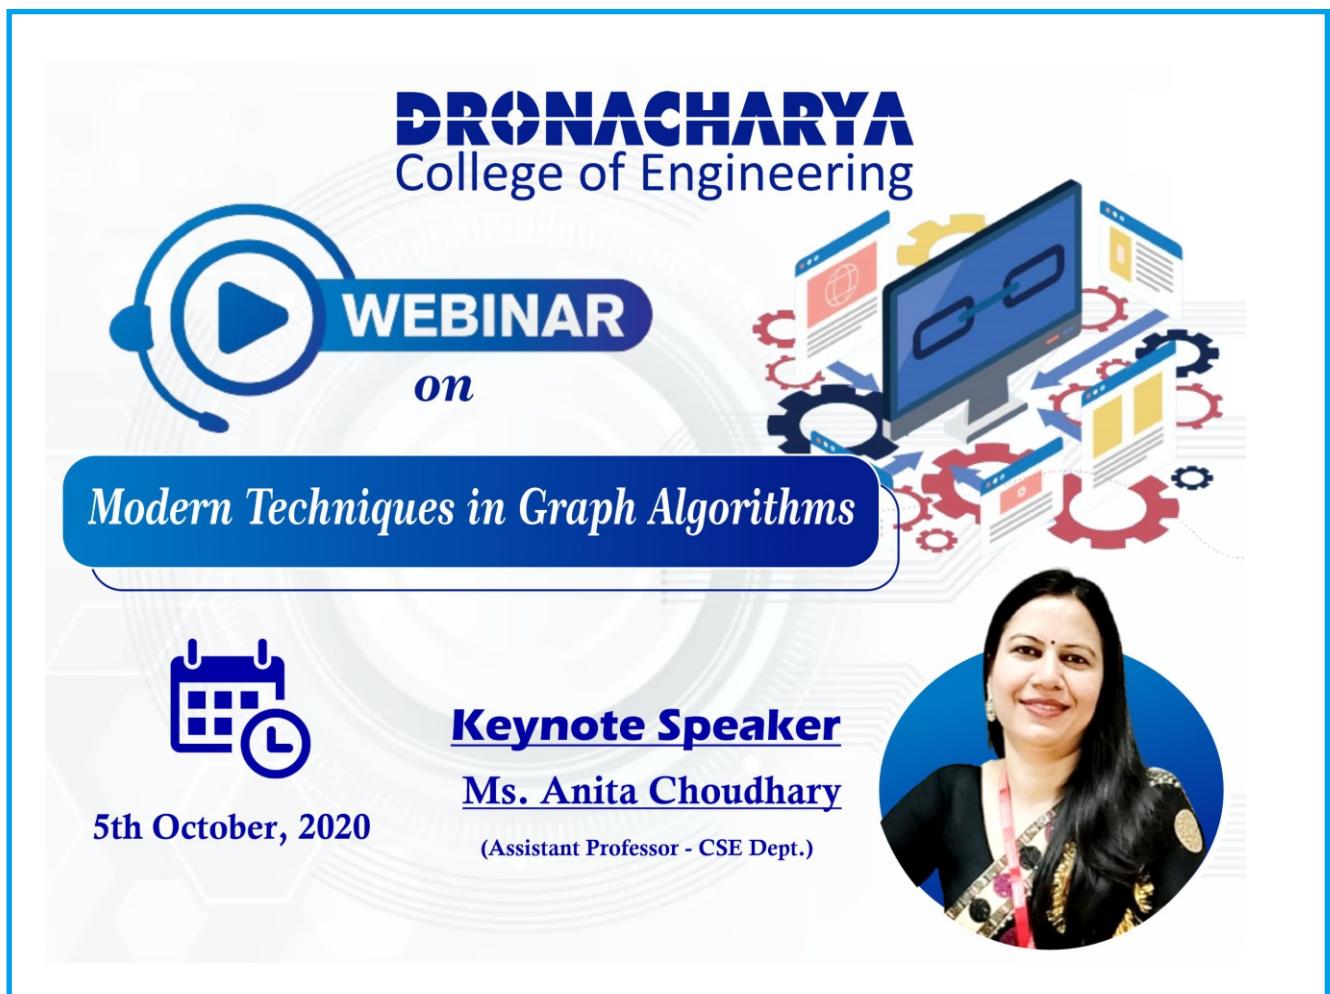

Dr. Megha Goyal
(Professor)
Department of CSIT

Webinar on Modern Techniques in Graph Algorithms

Dronacharya College of Engineering, Gurugram organized a webinar on “Modern Techniques in Graph Techniques” for 5th Semester students on 5 October, 2020. Ms. Anita Choudhary, CSE Department conducted the webinar.

The objective of the webinar was to enhance the students command over graph algorithms.

on
Modern Techniques in Graph Algorithms

5th October, 2020

Keynote Speaker
Ms. Anita Choudhary
(Assistant Professor - CSE Dept.)

Webinar on “Intelligent Systems & Its Applications”

Dronacharya College of Engineering, Gurugram organized a webinar on “Intelligent Systems and Its Applications” for 3rd Year students on 5 February, 2021. Mr. Ashish Khurana, CSE Department conducted the webinar.

The objective of the webinar was to enhance the students command over Intelligent Systems and Its Applications.

The objective of the event was to guide and clear the doubts of the students.

Intelligent systems and Its Applications

Webinar on “Types of Software Agents”

Dronacharya College of Engineering, Gurugram organized a webinar on “Types of Software Agents” for CSE/IT/CSIT/AIML 3rd Year students on 16 April, 2021. Mr. Ashish Khurana, CSE Department conducted the webinar.

The objective of the webinar was to enhance the students command over Intelligent Systems and Its Applications.

The objective of the event was to guide and clear the doubts of the students.
