Jan - June 2021

Vision

Preparing technologists with in-depth insights into information technology, and embedding ethics via focused technical training

Mission

- M1: Empower technologists to excel in information technology through rigorous training and hands-on experience.**
- M2: Foster a culture of integrity and responsibility by instilling ethical principles in every aspect of technical education.**
- M3: Encourage technologists with new ideas and good leadership in the tech world, training to possess strong values.**

PEOs (Program Educational Objectives)

- 1. Demonstrate technical competence with analytical & critical thinking to understand & meet the requirements of Industry, academia & research.**
- 2. Exhibit leadership, team skills and entrepreneurship skills to provide solutions to real world problems.**
- 3. Work in multi-disciplinary industries with social and environmental responsibility, work ethics and adaptability to address engineering and social problems.**

PSOs (Program Specific Outcome)

- 1. Have proficiency in programming skills to design, develop and apply appropriate techniques, for solving engineering problems.**
- 2. Have knowledge to build, automate and manage business solutions using advanced technologies.**
- 3. Have pleasure towards research in applied computer technologies.**

CodeBattle

Dronacharya College of Engineering, Gurugram organized online coding competition “CODEBATTLE” on 23rd January 2021.

Is "APPLE" UR DREAM GADGET ???
DRONACHARYA
BRINGS U THIS OPPORTUNITY... COME AND JUST GRAB IT FOR FREE...

ONLINE CODEBATTLE

FIGHT FOR.. Trees, Graphs, Linked list, Sorting and searching, Bit manipulation, Arrays, Pointers

GET YOUR

1st PRIZE  **2nd PRIZE**

LOGO DESIGN COMPETITION

“Creativity Takes Courage”

Make a Logo for “International Conference on Research in Engineering & Smart Technologies (ICREST’21)”
Winners and all Participants of the contest will be awarded by certificate

Last Date for Logo Submission : (Tues) 16th Feb, 2021

Submit your designed logos at : amar.saraswat@ggnindia.dronacharya.info
For more detail feel free to contact : Prof. Amar Saraswat (9958984080)

Lockdown Short Film

Event "Lockdown Short Film" : 20th February 2021

To unleash the creativity and bring the best inside you a "Lockdown Short Film" contest was organized for students, alumni and faculty members. The judgement was based on 3 categories. The first being "The best short documentary" second was "Best Short Fiction" the third category was "Specific focus environment". Winners had a chance to win amazing cash prizes.

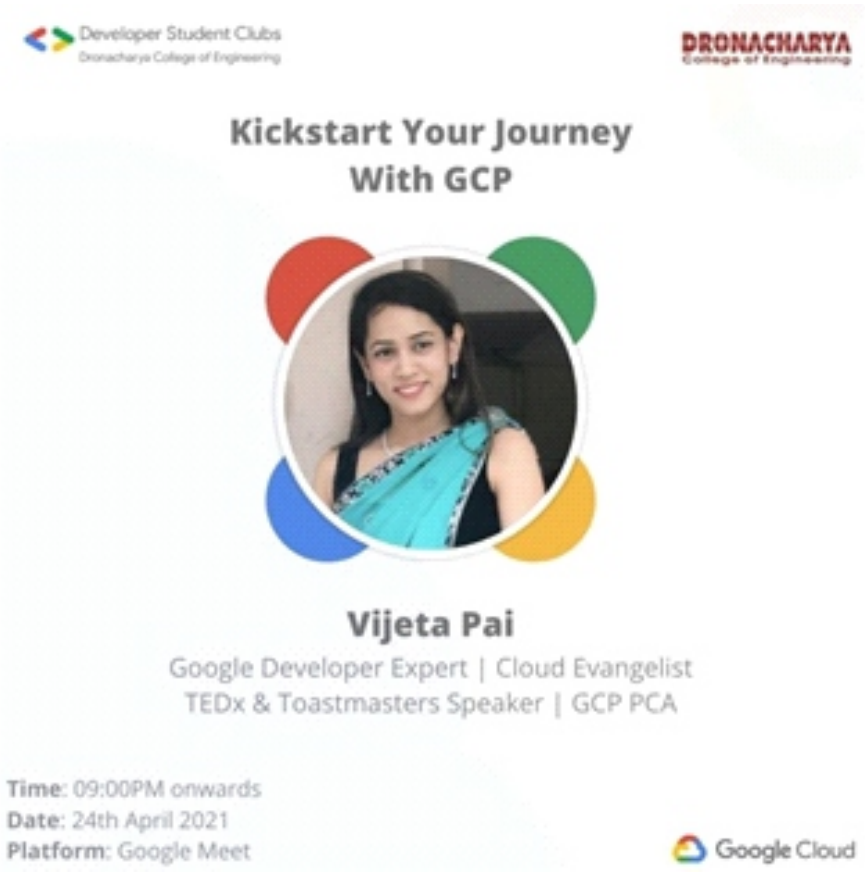

Students qualified the "GATE 2021"

Rohit Kumar from CSIT Department qualified GATE 2021 examination and gave yet another chance to the college to feel proud of their marvellous students.

Kickstart Your Journey with GCP

Developer Student Club, Dronacharya College of Engineering, Gurugram organized an online session on “Kickstart your Journey with GCP” on 24th April 2021. Vijeta Pai was the eminent speaker of the informative session.

The poster features a central circular portrait of Vijeta Pai, a woman with dark hair wearing a blue and black saree. The portrait is surrounded by four overlapping colored circles: red (top-left), green (top-right), blue (bottom-left), and yellow (bottom-right). The background of the poster is white with a faint grid pattern.
