VISION

Empowering human values and advanced technical education to navigate and address global challenges with excellence.

MISSION

M1 - Seamlessly integrate human values with advanced technical education.

M2 - Supporting the cultivation of a new generation of innovators who are not only skilled but also ethically responsible.

M3 - Inspire global citizens who are equipped to create positive and sustainable impact, driving progress towards a more inclusive and harmonious world.

Editor's Desk

Dr. Nimisha Yadav

"Success is not final; failure is not fatal: it is the courage to continue that counts." - Winston Churchill

Dear all
Greetings from the Editorial Desk!

July 2026 at Dronacharya College of Engineering, Gurugram, was a month filled with learning, innovation, achievement, and meaningful engagement. The campus witnessed a vibrant blend of academic, technical, cultural, sports, and social activities that encouraged students to explore new ideas and learn beyond the classroom.

From academic initiatives, hands-on learning experiences, workshops, competitions, and innovation-driven activities to cultural celebrations, sports events, and social engagement, the month provided students with valuable opportunities to enhance their knowledge, creativity, teamwork, and leadership skills. The accomplishments of our students across academics, innovation, technology, research, sports, and various competitive platforms reflect the institution's continued commitment to excellence, experiential learning, and holistic development.

These achievements further strengthen our vision of nurturing confident, skilled, and responsible future professionals. As we move forward, we remain dedicated to creating an enriching educational environment that inspires students to learn, innovate, lead, and contribute meaningfully to society. Overall, July 2026 stands as another significant chapter in the institution's journey towards academic excellence and holistic development. Through continuous learning, innovation, collaboration, and engagement, Dronacharya College of Engineering, continues to empower students to transform opportunities into achievements and prepare themselves for a dynamic and evolving world.

Digital Literacy Awareness Program 2026

13-17 July, 2026

The NSS Cell, Dronacharya College of Engineering, Gurugram, organised Digital Literacy Awareness Week 2026 under the ATAL Schools Initiative from 13–17 July 2026.The initiative reached five schools, engaging students through interactive sessions on digital literacy, cyber safety, data privacy, Artificial Intelligence, digital citizenship, and responsible technology use. The programme aimed to empower young learners with essential digital skills and awareness for a safer and more responsible digital future.

Remembering the Heroes of Kargil: DCE NSS Volunteers Commemorate Kargil Vijay Diwas

23 July, 2026

The NSS Unit of Dronacharya College of Engineering, Gurugram participated in the Kargil Vijay Diwas Celebration organized by the NSS Cell, Gurugram University on 23rd July 2026. The programme was organized to commemorate the valour, sacrifice and unwavering patriotism of the brave Indian soldiers who laid down their lives during the Kargil War and to inspire the younger generation with the values of courage, discipline, unity and national service.

Exploring the Future of Connectivity: DCE participates in the Workshop on 5G and Next-Generation Communication

24 July, 2026

Two faculty members from the Department of Electronics and Communication Engineering (ECE), Dronacharya College of Engineering, Dr. Monika Rani and Ms. Amninder Kaur, participated in a One-Day Workshop on "5G Technologies and Applications: Enabling Next-Generation Communication Systems" held on 24th July 2026 at the 5G Use Case Technology Lab, Department of Electronics and Communication Engineering, Delhi Technological University (DTU), Delhi. The workshop provided an opportunity to explore recent developments in 5G technologies and

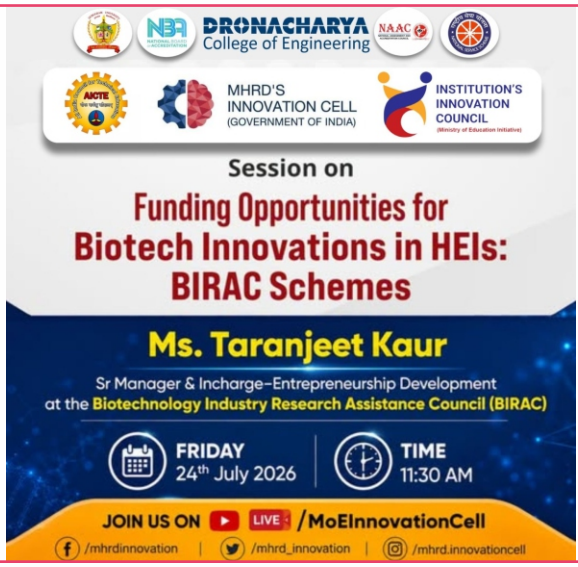

emerging communication systems shaping the future of wireless connectivity.

Transforming Ideas into Impact with BIRAC Funding Opportunities!

24 July, 2026

The Institution's Innovation Council (IIC), Dronacharya College of Engineering, Gurugram, in association with the Ministry of Education's Innovation Cell, organised an insightful session on "Funding Opportunities for Biotech Innovations in HEIs: BIRAC Schemes" on 24 July 2026.The session, delivered by Ms. Taranjeet Kaur, Senior Manager & Incharge – Entrepreneurship Development, BIRAC, provided valuable insights into funding avenues and support mechanisms available for biotech innovations. The session encouraged students, faculty members, researchers, innovators, and aspiring entrepreneurs to explore opportunities for transforming innovative ideas into impactful solutions.

6 Years of NEP 2020 | Transforming Education. Inspiring Innovation. Shaping Tomorrow.

29 July, 2026

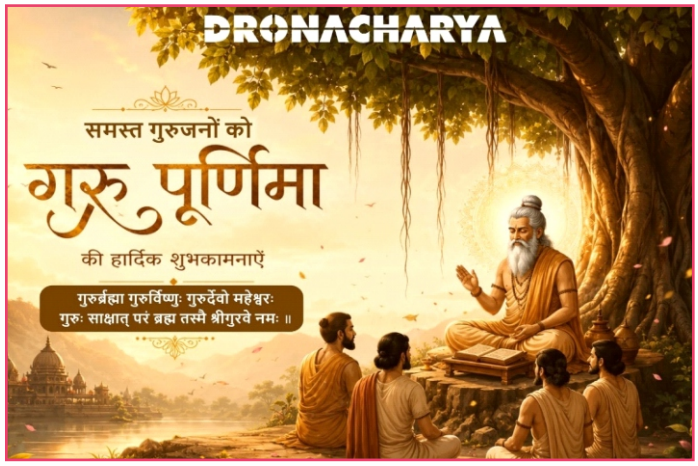

Dronacharya College of Engineering, Gurugram through its Institution's Innovation Council (IIC), commemorated the 6th Anniversary of the National Education Policy (NEP) 2020 on 29th July 2026.

The occasion highlighted NEP 2020's vision of innovation, research, entrepreneurship, experiential learning, critical thinking, and future -ready. At DGI, these principles are reflected through innovation-led learning, industry collaboration, and research-driven education, empowering students to become future-ready innovators and changemakers.

Guru Purnima 2026 | Celebrating the Gurus Who Inspire, Guide & Transform Lives

29 July, 2026

Dronacharya College of Engineering, Gurugram, celebrated Guru Purnima 2026 by honouring the invaluable role of teachers and mentors in shaping minds, nurturing values, and inspiring excellence.

The occasion celebrated the timeless Guru–Shishya tradition, where knowledge meets values, learning inspires innovation, and education empowers future-ready leaders. With heartfelt gratitude to every teacher and mentor who inspires curiosity, unlocks potential, and shapes tomorrow.

"EkPedMaaKeNaam": DCE NSS Volunteers Plant Seeds of a Greener Tomorrow

30 July, 2026

The National Service Scheme (NSS) Units of Dronacharya College of Engineering, Gurugram organized the "EkPedMaaKeNaam" Mega Plantation Drive 2026 on 30th July 2026 under the inspiring theme "Plant Today... Breathe Better Tomorrow." The initiative was aimed at promoting environmental conservation, enhancing green cover and biodiversity, and encouraging students to take an active role in building a sustainable future. The campaign also carried a special emotional significance by encouraging participants to dedicate a tree to their mothers as a symbol of love, gratitude and responsibility towards nature.

ANRF Vision 2026 | Igniting Research. Inspiring Innovation. Empowering Future Changemakers

31 July, 2026

Dronacharya College of Engineering, Gurugram, through its Institution's Innovation Council (IIC), successfully organised an expert session on "Strengthening Scientific Research and Innovation in HEIs: ANRF's Vision, Priorities, and Support Framework" on 31st July 2026. The session was led by Dr. Shivkumar Kalyanaraman, Chief Executive Officer (CEO), Anusandhan National Research Foundation (ANRF), who shared valuable insights into strengthening India's research ecosystem, advancing scientific innovation, and fostering interdisciplinary collaboration.

The interaction provided students, faculty members, researchers, and innovators with an understanding of ANRF's vision, research priorities, and support framework, along with opportunities to transform ideas into impactful research and technological solutions. The session reinforced Dronacharya's commitment to research excellence, innovation driven education, interdisciplinary collaboration, and nurturing future changemakers contributing towards a Viksit Bharat.
