About Aegis Graham Bell Award (AGBA): Aegis Graham Bell Award was initiated in 2010 as a tribute to the father of the telephone, The Alexander Graham Bell. This Award is Asia's one of the largest innovation awards, intended to promote innovations in the IT, Telecom, Social, Mobility, Analytics & Cloud domain and the Exponential Technologies to provide recognition for outstanding contributions by the innovators. The Award is organized with the support of **The Cellular Operators Association of India (COAI), and Telecom Centres of Excellence (TCOE)** India a public-private partnership initiative of DoT with 08 Centres at premier academic institutes (06 IITs, IISc and IIMA) of the country, each supported by a Telecom Service Provider. We are glad to announce that, the **10th edition of AGBA 2019** is also supported by NITI Aayog Government of India. [Click here to explore more!](#)

□ **Who Can Apply?:**

- Final year students pursuing bachelors, masters or Ph.D. degree from any academic discipline
- Candidates who think that they have the potential, interest, and ambition to grow as a leader in these areas
- Candidates those who have developed some kind of prototype products
- Candidates those who have some brilliant ideas to solve problems in the areas in Exponential Technologies i.e (Data Science, AI, Cybersecurity etc)

□ **Nomination Process:**

- Online Application - [Click here](#)
- Students can also submit their application & ideas on www.datasciencecongress.com
- Online Test

- Assessment will be done by the most prominent jury members [Check the list](#)

□ □ **Important Dates:**

- **Final Award Date:** 2nd Phase Awards will be felicitated on **3rd June 2020 @** the Asia's one of the largest Data Science platforms "[Aegis Data Science Congress](#)"
- **Nominations are Open!**
- **Watch Video:** <https://www.youtube.com/watch?v=HzRnrgYbbas>

□ **Rewards/ Benefits:**

- The winners will be recognized at Asia's one of the largest Data Science Conference ([Data Science Congress](#))
- Winners will get to work upon Real-Life Projects
- Winners will also get support to launch their own start-up in our incubation centers across the country (Mumbai, Pune & Bangalore)
- 100% Scholarship/ Financial Aid From Aegis School of Data Science, if the participants are interested to go for higher studies i.e PGP/ MS in Data Science, Business Analytics & Big Data or PGP/ MS in Cyber Security with IBM

Training & Placement Officer
