DBS CampusHack2Hire 2021

8 February 2021

DBS Asia Hub 2 is back with CampusHack2Hire to induct young talents to be the future engineers and innovators in the bank's digital transformation journey.

The Hack2Hire programme consists of two parts. The first is an online technical assessment designed by the technology team in collaboration with HackerEarth. Those who pass the online technical assessment will then hack their way into solving real-life business challenges in a hackathon session scheduled for February 27.

Timelines

- Registration starts from 3 Feb'2021, 3:30 AM till 21 Feb'2021, 12:29 PM.
- Online assessment opens till 21 Feb'2021, 11:59 PM.
- Live hack on 27 Feb'2021.
- Selected individuals from the hackathon will be interviewed for positions at **DBS Asia Hub 2, Hyderabad** immediately after the hackathon.

Eligibility

- BE/B.Tech 2021 Batch (CSE/IT/CSIT)
- Individuals with strong knowledge of distributed computing, operating systems, cloud infrastructure, mobile and web application development and full stack application development.
