"AthenaSquare Coding Challenge"

DCEGGN/TNP/2024-BATCH   **April 30, 2022**

Code Arena is flagship coding competition which spans a duration of 2 hours. The coders compete while also improving their overall algorithmic knowledge. The 2 hours contest duration gives one enough time to efficiently tackle a problem by reading the concepts one doesn't know, and also gain practical experience by coding the solution to the problem, thus improving their skills significantly. This coding competition packs the excitement of programming with the fun of learning into one compelling challenge.

ELIGIBILITY :

Coding contest is open to students from all background and working professionals.

FLOW OF THE CODING CHALLENGE :

1. Registration: Everyone needs to register on platform before deadline 22th May 2022.
2. Coding Round: In this round, you will be given 2 hours to develop to solve some coding problems using any programming language you want.
3. Referral: Top coders will face a screening round by Athenasquare and based on open positions will get referral opportunity in product based companies

Prize :
- Top 5 participants will get cash prizes worth 20k
- Top Participants will get referral opportunity at top product based companies
- Top 30 Participants will get cash prize and exciting goodies worth 15k

For Registration, please follow link
https://athenasquare.org/coding-challenge-details?coding=101

Note:

- All the students should appear for the process in formal attire.
