“Flipkart Grid 4.0 Software Development Challenge”

DCEGGN/TNP/2023-BATCH

June 15, 2022

GRiD is Flipkart’s Flagship Engineering Campus Challenge which provides you with the opportunity to apply your technical knowledge and skills, to compete and complete key challenges. Now in its fourth edition, **Flipkart GRiD** becomes bigger & better, bringing real-world problem statements from the world of E-Commerce to the brightest engineering minds across the globe!

Eligibility :

- This competition is open to students pursuing B.Tech/B.E or related Engineering Programs
- Students must register in teams of 2 to 3 members

Stages :

The Software Development Track will have 2 to 3 elimination levels to test your technical, analytical, and ideation skills before the National Finale where the Finalists will get to present their solutions to the Panel of Domain Experts at Flipkart.

Level 1 : E- Commerce & Tech Quiz

Level 2 : Submission of Proof of Concept with Demo Video and Code Submission

Level 3 : The National Finale

Prizes & Rewards :

Attractive prizes to be won along with the opportunity to be a part of the hiring process for Tech Internships & Full-Time Roles (Internship Stipend: INR 1,00,000 per month; SDE-1 Role Compensation: INR 32.57 LPA)

- Winners get EGVs worth INR 1,50,000*
- First Runners-Up Get EGVs worth INR 75,000*
- Top 50 teams (Level 1- Quiz) will get GRiD goodies
