**“WIT ACE HACKATHON 2021-Off Campus Event”**

DCEGGN/TNP/2023-BATCH

June 1, 2021

The theme for this year's Hackathon is "She the Force: Hack for Sustainability with Tech Solutions".

The details are given below.

**Batch** : 2023

**Branch** : CSE/IT/CSIT/ECE/EEE(Female Candidates)

**Hackathon Rules & Guidelines:**

- Teams can consist of a maximum of five members with not more than 2 male members. Team leader has to be a female candidate. Each team can have one mentor apart from five team members. Mentors can be male or female. You are not allowed to be a part of more than one team at the event.
- In the spirit of Hackathon, we recommend participants to not start development before the actual date of event. However, teams can brainstorm ideas and create wireframes before the event.
- A team can submit only one entry for the Hackathon.
- Post registration on WIT ACE platform, teams are advised to register for the Call for Code (<https://developer.ibm.com/callforcode/get-started/>) and be a part of the slack channel for discussion on any query resolution.
- Your submission must use one or more of IBM Cloud Services or IBM Systems. See the IBM Cloud catalog for a list of services that can be used. Your application can use additional data sets, libraries, and externally hosted services to complement the IBM Cloud Services or IBM Systems.
