

Amazon WoW

What's in it for you?

Amazon WoW will host sessions on tech and leadership development through the year. This would include preparatory sessions for interviews, what to expect during technical online assessment, how to write a good resume, how to choose a career path, opportunity to apply for roles at Amazon, and more.

Who can participate?

Amazon WoW is open to all women students across engineering campuses in India. Any women student who is currently pursuing a four-year B.Tech/BE or two-year MCA, M.Tech/ME program or five year Dual Degree can participate.
