

Juspay Hiring Challenge 2024

Crafting Reliability: Building Systems that Never Fail

PPOs with CTC worth INR 21-27 LPA

The shortlisted candidates will be hired as interns for 8-12 months (full-time, in-office) and will be converted to full-time completely on the basis of their performance. Internship stipend will be INR 40,000 per month

Eligibility and Guidelines:

The challenge is open to all engineering students pursuing their pre-final and final year in B.Tech/ B.E. degrees (graduating year- 2024 and 2025) across branches.

There is no restriction on the number of participants from an institute.

The students need to register individually for this challenge.

The participating students can be from any specialization/domain.

Last Date : 18 September, 2024
