Call For Applications For IIIT-B Summer Research Internship Programme SRIP 2025

Applications are invited from interested students to the IIIT-B Summer Internship Program (SRIP) 2025. This is a unique internship programme being offered at IIIT-B for giving engineering students an opportunity to work on a real-world funded research project.

Minimum Eligibility:

Students who have completed (or completing) 2nd Year in BE/BTech/Integrated MTech can apply. Specific projects may have additional minimum eligibility requirements. Open to IIIT-B students as well as students from other institutions.

Internship Dates:

8 weeks duration between May 15 – July 31, 2025

Last Date to Apply : April 30, 2025 11.59 PM
