

# BHABHA ATOMIC RESEARCH CENTRE, MUMBAI

## National Conference on Environmental Radon and its Applications (EnvRad-2026)

### ABOUT CONFERENCE >>>>

The measurement, monitoring, and scientific utilization of radon—a naturally occurring radioactive noble gas—have emerged as vital domain for environmental sciences, public health, geo-sciences, building safety, and nuclear applications. Radon, Thoron and decay products, being a key contributor to natural radiation exposure, are not only significant from the perspective of epidemiology and risk assessment, but also holds promise in seismic studies, hydro-geological investigations, tracer applications and transport modeling.

Recognizing the growing importance of this domain, BARC is proposed to organize a 2-day National Conference on Environmental Radon, Thoron and Decay Products (EnvRad-2026) sponsored by Board of Research in Nuclear Science (BRNS), DAE. The conference will feature plenary talks, technical sessions, poster presentations, and panel discussions. The conference provides a platform for cross-disciplinary collaborations, capacity building, and knowledge sharing that may shape the national road-map for radon-related research and applications.

### TOPICS COVERED >>>>

- Inhalation Dosimetry
- Monitoring in workplaces
- Monitoring in indoor air
- Monitoring in outdoor air
- Radon studies in water & soil
- Radon Epidemiology and Risk Assessment
- Radon Metrology and Instrumentation
- Radon Modelling, CFD & Machine Learning
- Radon as Earthquake Precursor
- Radon application to Uranium exploration
- Radon Mitigation & Policy Perspectives

**February 13 - 14, 2026**  
**Mumbai, India**

### VENUE >>>>

**DAE Convention Center**  
B.A.R.C. colony  
Anushaktinagar  
Mumbai - 400 094  
India

### CALL FOR PAPERS >>>>

Participants are requested to upload an extended abstract as per the template to the website ([www.envrad.in](http://www.envrad.in)) or email to [envrad.barc@gmail.com](mailto:envrad.barc@gmail.com)

#### Abstract submission deadline

**January 5, 2026**

#### Abstract acceptance notification

**January 10, 2026**

#### Early bird registration

**January 10, 2026**

### TRAVEL SUPPORT >>>>

Travel support for 3-AC train fare is available for a limited number of eligible students.

### ACCOMMODATION >>>>

Accommodation in BARC Guest House/ Hostel is available for a limited number of participants on individual payment basis.

### REGISTRATION FEES >>>>

Students	₹ 1,000
Faculty	₹ 2,000
Delegates from Industries	₹ 5,000
DAE Scientists	NA

Registration fees should be paid by means of Cheque or Demand draft drawn in favor of

**"Pay & Accounts Officer, BARC"**

Payable at Mumbai
