

CRAFTING RELIABILITY

Building Systems that Never Fail

Eligibility and Guidelines:

The challenge is open to all engineering students pursuing their B.Tech (graduating year 2026 only) across branches.

The students need to register individually for this challenge.

The participating students can be from any specialization/domain.

There is no restriction on the number of participants from an institute.

Modification of details post-registration closure will not be allowed.

Registration Deadline: 13 July, 2025
