Runner-up Prizes – \$1,000 each

- (50% USDC and 50% QIE tokens)
- DeFi → Lightning Finance Prize
- AI x Blockchain → AI Acceleration Prize
- Tokenization → QIEDEX Master Builder

Special Recognition – \$1,000 each

- (50% USDC and 50% QIE tokens)
- QIE Speed Demon → Best Performance Implementation
- Community Builder → People's Choice & Engagement

Prize Distribution Model 50% – Building Phase (USDC)

- Released once the project demonstrates a working on-chain deployment.
- Rewards core technical effort, including:
- Smart contract development
- Deployment on-chain
- UI/UX implementation
- Functional end-to-end solution

50% – Adoption Phase (QIE Tokens)

- Released after the project achieves real user adoption, defined as:
- A minimum of 50-100 unique wallets interacting with the solution.
- Encourages usability, scalability, and community traction beyond the build stage.
