

IIT MADRAS

SHAASTRA 2024

SPOKES OF TIME

JAN 3-7, 2024

Shaastra 2024 is the 25th edition of shaastra.

Shaastra is the annual technical festival of the Indian Institute of Technology (IITM), Chennai, India. The Sanskrit word 'Shaastra' means a subject of study/branch of knowledge and the festival accordingly consists of various engineering, science, and technology competitions, summits, lectures, video conferences, exhibitions, demonstrations, and workshops. The festival is held over five days and five nights during the first week of January from 3rd to 7th.
