

6.2.2 - Implementation of E-governance in areas of operation:

- Administration
- Finance and Accounts
- Student Admission and Support
- Examination

Response: All of the above

Principal
Dronacharya College of Engineering
Farrukh Nagar, Gurgaon.

E-governance Policy

Objectives:

1. Implementing e-governance in all college-related operations is one of the objectives.
2. Improving the college's efficiency in operation.
3. Encouraging responsibility, openness, and empowerment.
4. To encourage the institution to operate paperless.
5. Enabling quick and simple information access.

Policy:

1. It is decided to adopt and implement e-governance in all activities of college operating in order to provide easier and competent structures of governance within the institution.
2. The college has already started using e-governance in a number of areas, including admissions, the library, academics, exams, and accounting. However, it has been decided to implement e-governance in a few additional areas of the institution.
3. E-governance areas: This policy is used into other functional areas, including:
 - a). **College Website:** The college website serves as a mirror of campus information, including notices, events, extracurricular and co-curricular activities, and functionaries. A full-time web developer and team members are employed by the college to upload information. A separate service provider is contracted to host the website. The website also offers interfaces for admission and online transactions.
 - b). **College ERP:** This system handles admission, accounts, library, administration, and exam operations.

Principal
Dronacharya College of Engineering
Farrukh Nagar, Gurgaon.

c). **Learning Management System (LMS):** An LMS is an online tool used to organise, carry out, and gain access to a particular learning process. It aids in administration, documenting, tracking, and recording of information learned in a classroom.

Administration: All service units in the college can be fully supervised by the college authorities through using the ERP software.

The administration uses email to interact with the members of the Governing Body as well as the teaching and support staff. All significant administrative information, including notices, is regularly posted on the website.

- Biometric attendance for every employee
- Fully wifi, automated workplace with constant internet access
- Committee members of the Paperless IQAC started utilizing Google services, such as Data collection from many departments using a Google sheet, to create announcements and activity reports, using Google Docs and Google Forms is used to create feedback forms and collect online comments from parents and students.
- CCTV cameras have been deployed throughout the campus of the college.
- WhatsApp Groups are utilized for awareness and the efficient operation of the same, as well as for short alerts of any events that will place on campus.

Accounting and Finance:

- Tally software and ERP are used to maintain the institution's accounts.
- HDFC Smart Hub financial portal handles financial transactions.

Principal
Dronacharya College of Engineering
Farrukh Nagar, Gurgaon.

Student Admission and Support:

- The ERP Students Module is used to handle student admission.
- The college's website serves as a reflection of its data. On the website, there are interfaces for admission and online transactions. A full-time web developer and team members work for the college.
- The college has a well maintained mechanism of handling student grievance.
- Feedback received from all the stakeholders (student, faculty, parents, etc.) is perfectly analyzed and necessary actions have been taken.

Examination:

- MDU student portal is used to manage the exam process.
- Everything is done online, including filling out exam applications, getting admission cards, uploading marks, etc. Under the direction of the institution's examination controller, the academic cell of the college oversees the entire examination procedure.
- Sessional results can be accessed on the website.

Online Application for job opening: Job Openings in college are advertised in social media platform of college. Online applications are invited for all the new job openings. Applicants can submit their resume and apply for the post online.

Principal
Dronacharya College of Engineering
Farrukh Nagar, Gurgaon.

ANNUAL E-GOVERNANCE REPORT

E-Governance is the proper utilization of information and communication technologies (ICT) in working arenas to provide user services and to improve work efficiency. It is being used as a platform for efficient, transparent and timely delivery of services to all the stakeholders. The purpose of e-governance is to bring transparency and proficiency in the working of an organization. Speedy and cheaper communication, convenience, transparency, accountability, improved customer services and increased access to information are some of the basic parameters on which the concept of e-governance finds its foundation. Dronacharya College of Engineering, Gurugram is trying its best to keep pace with the recent applications of e-governance in terms of various functions being performed digitally. Most of the staff and students use computers to utilize the benefits of modern day technologies available in the field of higher education. Regular digital literacy programs are conducted for students and staff-members under the digital India initiative of the central government. A well-equipped IT-Cell has been established in the College to observe and regulate smooth functioning of computer systems and to address all IT related issues so that maximum benefits could be extracted. Students and staff-members are provided assistance and support through IT-Cell in case of software and online portal related issues. IT-Cell maintains online MIS and other data formats of the College up-to-date. The overwhelming response of human resource to digital technology has strengthened the prospects of e-governance in different areas of operation. By and large, in Dronacharya College of Engineering, the following operational fields of educational administration have been identified for realizing the exquisiteness of e-governance.

Annual E-Governance Report For The AY: 2021-22

Students Admission and Fee Collection

Entire procedure of student admission is conducted online. Students fill up their admission form online and accordingly merit list is prepared. All the details of the students' fee collection is maintained in Tally ERP software.

The IQAC initiates the analysis of feedback from stakeholders and prepares the reports on the same.

The College is subscribed for bulk SMS service from QUALITYSMS SOLUTION LLP. This service is used to communicate with students, parents and alumni regarding any important information and notices.

The students are continued to be provided with the online scholarship facility through:

- (1) Scholarship given by the state government.
- (2) National Scholarship Portal.
- (3) Any other scholarship as announced by various government and non- government agencies.

Student Admission and Support:

- The ERP Students Module is used to handle student admission.
- The college's website serves as a reflection of its data. On the website, there are interfaces for admission and online transactions. A full-time web developer and team members work for the college.
- College organizes alumni connect program by which college students are benefitted in settling their doubts.

Principal
Dronacharya College of Engineering
Farrukh Nagar, Gurgaon.

- The college has a well maintained mechanism of handling student grievance.
- Feedback received from all the stakeholders (student, faculty, parents, etc.) is perfectly analyzed and necessary actions have been taken.

Finance and Accounts

As per instructions of the government, all kind of financial transactions have become cashless. The salaries of employees are paid online through NEFT/RTGS and rarely by cheques. College continues to use Tally ERP 9 for Accounts and Finance purposes. Major assignments being performed digitally at College level-

- All kind of payments including salaries to staff-members
- Online payment of examination and admission fees
- Pay bill preparation & management of various scholarship schemes
- Disbursement of salary slips.
- Hands-on disclosure of budgetary/financial data on its web-page
- Conduction of computer awareness programs for office-staff
- Management of College accounts and many such functions as required.

All the accounts are being maintained in nationalized banks with maintenance of proper ledger at College level.

Attendance

Biometric machines are installed in the campus for attendance purposes. This attendance record also helps us to generate various reports.
