Internal Quality Assurance Cell

About IQAC

As per National Assessment and Accreditation Council (NAAC) guidelines every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution's system and works towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. Dronacharya College of Engineering, Gurugram was accredited by NAAC in 2005 and Re-Accredited in 2012. IQAC established at DCE, Gurugram continued to strive for the betterment of processes and setup.

The Objectives of the IQAC are:

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Academic and Administrative Audit

Academic and Administrative Audit (AAA), endures as an essential element for maintaining the standard of excellence in Higher Education. A strong administrative setup and periodical auditing serves as a foundation for a quality oriented academic system.

Academic Audit: Academic audit is understood as a scientific periodic and systematic method of reviewing the quality of the academic process in the institution. It is related to quality assurance and enhancing the quality of academic activities in HEIs.

Administrative Audit: It is considered as a process of evaluating the efficiency and effectiveness of the administrative procedure. It includes assessment of policies, strategies & functions of the various administrative departments, control of the overall administrative system etc.

Academic and Administrative Audit enhances constant judgment, quality improvement and necessary nourishment, Leading to best practices of the various academic programmes. It aims to document facts backed by empirical data which is a hallmark of excellence, and moreover a practice indispensable in academic programmes.

The audit aims to

- Present a faculty-driven process for an unending progression.
- Encourage integration across programs and disciplines.
- Subject every department to external analysis.
- Give self-evaluation based on quality standards.

Principal
Dronacharya College of Engineering
Farrukh Nagar, Gurgaon.

The main objective of the audit is to update

- Teaching and learning
- Examination and evaluation methods.
- Research, Innovation and Extension.
- Infrastructure and Learning Resources.
- Student Support and Progression
- Unique healthy Practices

The audit process strictly adhered to a proforma structured by the IQAC for the evaluation based on

- i. Teaching-Learning Process
- ii. Results
- iii. Feedback system
- iv. Research
- v. Infrastructure
- vi. Department Administration, and
- vii. Other extra-curricular and co- curricular activities

Principal
Dronacharya College of Engineering
Farrukh Nagar, Gurgaon.

Process Involved:

- Every year each departments are required to fill the details in the proforma as a part of self –appraisal
- The IQAC constitute audit teams for the various departments with the approval of competent authority. The academic audit teams have A chairman, 2 experts and NAAC coordinator as convener.
- The schedule of audit is announced in advance and audit team visit according to the schedule.

Action Taken:

- The IQAC collects report and after discussion with the team members take appropriate measures based on the observations and recommendations. The summary of the same is presented in the meeting to the members for information.
- It also takes up specific common issues as an agenda in IQAC for deliberations.

Overall report of Academic and Administrative Audit Committee

Academic and Administrative Audit was conducted to review the mechanisms of the college for checking and strengthening the academic quality and standards. Maximum three internal members of various departments reviewed the departments and suggested their views. The commendable work of the department is highly appreciated by the Principal and Registrar. Head of the departments, coordinators and Staff were requested to implement the suggestions of the committee in their departments. The audit was an immense help and fruitful endeavor to frame the best curriculum, teaching, learning and evaluation methodologies.

Observation

The curriculum of all programmes has been designed to provide an all-inclusive education. The curriculum is designed properly keeping the academic knowledge, fundamental skills, personality development, social and ethical values being included as part of the curriculum. Programme outcomes have been framed keeping in view the industry trends and global needs. They are aimed at equipping the students with critical and scholastic thinking. Dronacharya College of Engineering offers 9 B.Tech programmes. The college has well-qualified teaching faculty and to carry the works related to administration, competitive non-teaching staff is available in the college. It is also observed that proper mentorship is provided to the students. It was also observed that proper placement and student progression details are maintained.

All the classrooms, seminar halls and laboratories have ICT facilities. The College Library has more than 34000 books, approximately 150 journals and a huge collection of magazines, reference books, journals, videos, access to e-resources. Library Management Software E-granthalaya 3.0 is used in the library. The college has plagiarism software and E-content resources. Infrastructure for sports includes a field for various games (Football, Cricket, Hockey, Handball, Volleyball, Basketball, Badminton, Kabaddi, etc.), gymnasium, and an indoor stadium accommodating basketball court, volleyball court and badminton court.

Principal
Dronacharya College of Engineering
Farrukh Nagar, Gurgaon.

The college promotes various extra-curricular activities which help students to get trained in Leadership Skills and acquire social responsibilities. NSS students helped the society during the pandemic period.

Recommendations

- Remedial classes to be improved.
- Mentor-mentee system to be restructured.
- Collaboration and MoU should be encouraged.
- Incubation centre should be established.
- Research should be enhanced.
- More alumni meetings should be organized.
