ACTION TAKEN REPORT BASED ON STUDENTS' FEEDBACK

The College obtained the feedback on design and review of syllabus, facilities provided and teaching learning process from students to improve the process of teaching and learning. The feedback was based on a structured questionnaire. The data was analyzed and a feedback report was prepared in order to gain insights into the area where improvements are needed. On the basis of the feedback following actions were taken to incorporate the improvements suggested by students.

ACTION TAKEN

S.No.	Feedback/Suggestions	Action Taken
1	Need for more interactive and hands-on learning methods.	Implemented project-based learning and case studies in the curriculum.
2	Suggested introducing advanced technical courses.	Added courses on AI, ML, and cybersecurity through add on programs
3	Requested better career counseling services.	Organized career guidance sessions with industry professionals and alumni.
4	Feedback on improving access to online learning tools.	Provided free access to Coursera and NPTEL platforms for additional learning.
5	Suggested introducing coding competitions and hackathons.	Regular coding competitions and hackathons were organized at the departmental level.
6	Need for additional industry exposure.	Increased the number of industrial visits and internships in collaboration with leading companies.
7	Feedback to expand library resources, including digital access.	Subscribed to digital libraries and e-journals to improve resource availability.

A.Y. 2020-21
ACTION TAKEN REPORT BASED ON TEACHERS' FEEDBACK

The College obtained the feedback on design and review of syllabus, facilities provided and teaching learning process from faculties to improve the process of teaching and learning. The feedback was based on a structured questionnaire. The data was analyzed and a feedback report was prepared in order to gain insights into the area where improvements are needed. On the basis of the feedback following actions were taken to incorporate the improvements suggested by faculties.

S.No.	Feedback Area	Action Taken
1	Need for training in advanced teaching techniques.	Conducted FDPs on flipped classrooms, blended learning, and teaching through digital tools.
2	Department need more supporting staff for administrative work	Reorganized administrative responsibilities and provided support staff to faculty.
3	Recommended enhanced research facilities and funding.	Increased budget allocation for research and procured advanced lab equipment.
4	Suggested better ICT facilities in classrooms.	Upgraded classrooms with smart boards, projectors, and Wi-Fi connectivity.
5	Feedback for more opportunities to participate in national and international events.	Approved travel grants and leaves for participation in conferences and workshops.
6	Recommended updates to the curriculum for industry alignment.	Syllabus was revised with inputs from industry experts and alumni.
7	Suggested peer mentoring for teaching strategies.	Introduced a faculty mentoring program to share best teaching practices.
8	Feedback on recognition for teaching and research contributions.	Launched annual awards for outstanding teaching and research performance.
